Thoughts from  
*District Governor Jerry Vaccaro*

Welcome to a year of "Serving in Harmony"

Hello fellow Lions. What a great September for our District. Clubs have started participating in many service activities serving their communities in many different ways. As District Governor, I am visiting clubs, inducting new members, meeting new lions for the first time and learning how as Lions WE SERVE. I am looking forward to more visits and more lion inspiration.

For those who attended the US/Canadian Forum in Columbus, Ohio, what a great opportunity to add to your leadership, membership skills through the many classes offered. Another great opportunity is in meeting Lions from the US, the eastern island countries and Canada. Another thing that you learn is no matter where Lions are from, they all want to make a difference for their countries. Same goal WE SERVE!

I want to encourage all clubs to send as many Lions to the October 13<sup>th</sup> MD Forum being held at the Concord Christian Academy, 37 Regional Drive, Concord, NH. The different classes will be very informative with presenters having the knowledge and experience to answer your many questions, See you there!

Thank you for what  
you do!

## Thoughts from

*Vice District Governor Steve Middlemiss*

The Leadership team, as well as fellow NH Lions, are back from Columbus, OH where we attended the 2018 USA/Canada Forum. MD 44 took home the award for the Multiple District with the largest percentage of members attending. Once again showing the strength and commitment of NH Lions. It was another fun and informative event with great seminars and fantastic speakers.

**Leadership** is an important aspect of our organization. From a committee chair to the President of your club to the leaders of our District, good leadership is important. But how do we find leaders. Do you have someone in your club that motivates members to work on projects? Are they able to co-ordinate everyone's efforts to achieve a common goal? Are they able to work around obstacles? Does this person seem to be able to work with everyone? That's a leader, even if this person doesn't see it in themselves. Presidents, please encourage these members to attend this year's Fall version of the **MD NH Lions Forum**. It is being held on Saturday, October 13<sup>th</sup> at Concord Christian Academy at 37 Regional Drive, Concord. We will be touching all aspects of Lionism not just Leadership, so this workshop is for all who want to get more out of being a Lions member.

Thank you Clubs for all your efforts to help those in your communities. You are what makes it Great to be a Lion!!

Please contact me if you would like me to visit your club.

Please don't hesitate to contact me with any questions you might have. To get in touch with me my cell phone is 603-566-7616 and email is [estmiddlemiss@gmail.com](mailto:estmiddlemiss@gmail.com).

Don't forget to JUST ASK!

## Thoughts from

*Second Vice District Governor Marie Hall*

What a great learning experience at the UDA/Canada forum! Here are just a few of the nuggets I learned:

It is never too early to start building leaders at the club level. Co-chairing a club event is a good starter activity.

Public service announcements are under-utilized.

Storytelling is a great way to recruit new members, keep members and raise funds.

Younger Lions are looking for a high quality return on investment for their time and money.

PDG Toni Olden and I both graduated from the masters program of Lions University. Toni also completed her Bachelors. Kris Pavlik and Randy Tompkins have started taking courses. Please let me know if you are taking courses!

**I hope to see you at the Lions MD Training Forum on October 13!**

## Thoughts from Cabinet Secretary-Treasurer *Mark D'Amico*

September has been a terrific month. I've been travelling with DG Jerry as he visits various clubs around the district. Each club has its distinct personality and style, but one thing remains constant; that is the quality of the people who call themselves Lions.

I can honestly say that I've never met a more inspiring (and fun!) group of people than the Lions of District 44H.

I'll keep it short this month with just a few administrative items. If you haven't already, please remember to update your club membership numbers in MYLCI, and to assign officers for those who haven't done that yet (Yes, there are a few).

The dues invoices have all been sent so, if you haven't received an e-mail with your invoice please let me know.

Finally, November 4<sup>th</sup> is just around the corner so remember to register for the upcoming Cabinet meeting. It's your district and we want to see more Lions than ever before in November.

Thanks for all that you do.

CST Mark

## Thoughts from Multiple Council Chair *Sam Longbook*

### *USA/CANADA Forum*

*Congratulation to the New Hampshire Lions in attendance as MD 44 had the best attendance of any Multiple District attending the forum. Good going NH Lions.*

*The forum's focus was on Leadership along with many other topics.*

*Our returning NH Lions will have a lot of information on many topics to share with us.*

*Ask your DG about the Forum. We should take advantage of their new knowledge.*

### *NEW HAMPSHIRE MD 44 FORUM*

*This brings us to the NH Multiple District 44 Forum being scheduled for Saturday October 13<sup>th</sup>. Look for the information in this newsletter. All lions should consider attending, great information will be presented on Lionism.*

*The MD Global Action Team encourages all lion that can attend do so.*

*With good Club Global Action Team leadership your club will grow in membership, fellowship, service to the community and develop future club leaders.*

The club GAT needs to promote enthusiasm and excitement to get club members involved in projects of their interest which will result in improved member Satisfaction and Retention.

Remember our Lions slogan "We Serve".

Thoughts from  
Global Membership Team Leader *PDG Al Goldstein*

What can we/you do to help your club to bring the need for increased members to the priority stage it needs to be? Look at your selves and ask, do we have enough members to run a good meeting, fundraiser or service project? Could we do a better job with a few more hands?

A couple of newsletter's back I asked all the club Presidents to set a goal for how many members the club would like to add. I have not heard back from any club with their goals. As part of your strategic plan to add member you need a plan. Whether you need to add just a couple or your goal is 10. When you set the goal the next part of the plan has to be how will we handle these new members so that they stay. So very often we bring in new members and they leave very quickly because we are not ready. If they are leaving as quick as they come in you do not have the correct plan in place to make them feel like they are part of the club. Who will mentor the new member? Who will explain the club history? Who will explain the district and LCI? These are important things to make them feel like they fit in.

Lastly remember it is so much better to grow in a controlled manner. If you try to grow to fast by bringing in more members than you can handle it could backfire.

Thanks for all you do,  
GMT/PDG Al Goldstein

GLT Spotlight Notes: TRAIN, RETAIN, MAINTAIN (This month covers TRAIN)

As I continue my GLT journey with you, I wanted to share information on the upcoming NH Lions Forum scheduled for Saturday, October 13. This training forum is not only for leaders, but for future leaders and is for all LIONS of every club in both districts. I have been on the preplanning committee for this event and I personally know there have been many, many hours of planning, preparation, obtaining excellent instructors, and ensuring that there are interesting topics.

There will be a class on training opportunities which are available to all LIONS, information on leadership opportunities not only in local clubs, zone, district, but also at the multi district level at this forum. There is a block of instruction on service projects, secretary training, and conflict resolution. Have you wondered why some clubs have great successes and others may be struggling. Sit in that block, and learn more about it. For those Guiding LIONS, the entire day will be training required for that position. There are excellent instructors for all the training sessions, and this class is no exception.

Sometimes, you just don't know what you don't know, and this is a great opportunity to learn what you don't. Because I have a prior commitment on October 13, I regretfully won't be attending. If you do attend, I would like to hear from you on how we can continue to improve training opportunities, and some topic ideas for our next training session that 44H will be conducting. Please take the time to complete the class surveys, and please be brutally honest and let us know what went well, and could be improved. Please feel free to send me any comments or suggestions to: Pkimb56@gmail.com.

There is a \$10.00 registration fee and includes a box lunch. Send check payable to NHAPPDG, PDG Henry McKee, 13 Town Road 79, Orford, NH 03777

Thoughts from  
Global Service Team Leader *Lenny Hall*

I would like to lay out a guideline for how to start a successful service project

- 1) When selecting a service project make sure your goal is attainable. Don't start out to build a hospital wing when either the size of your club or the enthusiasm for the project only gets you as far as buying a bedpan. The current service project oftentimes sets the tone for future projects and when things go well, the room is full of happy Lions, it's a great momentum builder
- 2) Select your chair or co-chairs carefully. They will get the juices following of the members for the project. As a businessman I learned lots of lessons. One of the most important is that all employees and Lions are different. When motivating them try and find out what makes them tick? Some need praise all the time, some just want to be left alone to do their job, some need a hug or a pat on the back none of them want to be bossed around. Don't confuse leading with bossing, especially when it comes to Lions.
- 3) Try and uncover member hidden talents. Artwork, graphics, bullwork, budgeting, fundraising. Put these people to work. Don't forget to include people who always have a good time doing just about anything, because after all its supposed to be fun!
- 4) Get your new members involved at the beginning.
- 5) So now you have your team. Next month we will talk about the plan.

CAMPAIGN | 100

## 100% Club Participation.

LCIF • EMPOWERING SERVICE™

When every club in our district makes a large donation to LCIF of \$10,000 or a small donation of \$1,000 or even a donation of \$100, it will help us to be a 100% Participation District.

With 35 clubs in our district, we can achieve this level of participation.

It would be an over-the-moon achievement to have 100% individual participation from every Lion in our district. Every dollar puts us closer to our yearly goal of approx. \$99,000 from District 44-H.

\$2,800 from every Lions Club in our district and we can make this happen.

The best step in accomplishing this goal is to designate one of your clubs fundraisers to support LCIF. Or establish a fundraiser in the name of LCIF.

100% of the funds sent to LCIF will support efforts in the areas of supporting those struggling with Diabetes, Childhood Cancer, Vision Impairment, Hunger, Environment, Humanitarian Causes and Disaster Relief.

A direct monthly contribution of at least \$10 from every Lion across our district will have an exponentially positive impact on the lives of so many people. If you can give more, please do so. Lions answer the call, time and time again and the bell is ringing.

## Thoughts for CHILDHOOD CANCER from *Mary Tremblay*

From the USA/Canada Leadership Forum here are some ideas of things Clubs can do to support children & families dealing with Childhood Cancer.

- 1) Identify a nearby center and provide craft materials, puzzles, books to children undergoing treatment
- 2) Identify families in your community (through friends & news articles and help with transportation, meals, gift cards for gas, parking, food etc.
- 3) make or buy hats, caps head scarves, blankets to give to pediatric cancer patients.

Please share your activities and ideas with me so I can get them out to other clubs in the District.

Thank You, Mary Tremblay

## Thoughts on VISION From *Langdon Plumer* Healthy vision can help keep brain in shape

### Support your Lions Club Operation Kids Sight Project

By now I expect your club OKS Coordinator and members who can assist with OKS in your town have been busy at the local elementary and middle schools screening the student's eyes. I enjoy screenings especially by children's reaction or by the numerous ways of spelling some names! Working with the school nurses is also rewarding as well as the teachers who come with their classes. OKS is really a project that involves the whole school and when that happens the screenings are quick and efficient.

This is such a great service to our community because we know if a student is not doing well in school it may be their vision is poor. We know many times students experiencing headaches, sometimes stomach discomfort, vision is blurry and just don't feel right and academic performance is negatively affected it may be connected to their vision.

When you hear that Sally or Joseph has new glasses and can see correctly or when the school puts up a "Thank You" on their announcement board by the entrance you feel your efforts are worthwhile and proud to be a Lion! So, support your OKS club project!

## Thoughts on ENVIRONMENT from *Jeri Maynard*

Two questions for you all... (1) How many of you go for a daily walk or jog (or just an occasional walk or hike)? (2) How many of you are totally disgusted with the litter you see on your daily journey?

Well, Europeans have an answer to the problem of roadside trash while still getting an even better workout. It is called "PLOGGING", and offers an unusual workout- a combination of outdoor exercise and environmentalism. This activity originated in Sweden and is a combination of the word jogging and the Swedish word "plocka upp" which translates to "pick-up". The work-out consists of adding bending, squatting, and stretching to your walk or run. You can measure your progress by the amount of trash you "harvest".

Experts estimate you can burn an extra 100 calories each half hour; if you wear your Fitbit, you can log and track your steps and calories. You don't have to be an athlete to participate; all you need is a bag and rubber gloves. If you turn your jog into a "plog", your walk into a "palk" or your hike into a "pike", you'll get satisfaction knowing you are helping your community as well as yourself. This is the season for fall roadside clean-ups- perhaps your club would like to plan a "plogging" event to meet your club's

Thoughts for HUNGER  
from *Bob Gustafson*

In reading about Hunger Project ideas on the Lions Club International (LCI) site, they had some interesting beginning, intermediate and advanced ideas for Lions clubs to help their communities:

Beginning: 1) Support your local food bank by donating time, equipment or food. 2) Create a resource list of hunger related volunteer opportunities in your region to share with other clubs in your district. 3) Use social media to raise awareness about childhood hunger in your community and to inspire others to become involved.

Intermediate: 1) Volunteer with a “gleaning group” to harvest unpicked fruits and vegetables at farms and orchards. 2) Host a grocery store or market tour where a nutritionist gives participants tips on choosing healthy and nutritious groceries. 3) Collaborate with a food bank to organize a community food drive, focusing on collecting items most needed in your area.

Advanced: 1) Conduct an assessment of food access in your community. Advocate to local government leaders for additional or improved options in areas of need. 2) Develop a program to provide underserved students with food during holiday times when school is not in session. 3) Use your professional networks to connect food banks to food industry leaders interested in food recovery.

# MULTIPLE DISTRICT 44

*From Roar Editor/Zone 2 Chair,*

I first was introduced to this challenge when I visited the Brookline Lions a few weeks ago. I had the opportunity to join in the writing of the cards that the club had preprinted (see photo) and I also met with the lovely lady, Laura who first begun this Holiday Cards 4 Our Military campaign. I then

immediately thought I would share this with all the clubs within my zone. Then, I thought why not

include all the zones in the district as well as all the zones in district 44H. I sent an email to all to share this in the hopes that we could help Laura meet the challenge. As an afterthought, for anyone who may find it difficult to drop off cards in the locations listed below, I would be more than happy to collect them. I will be holding a Zone 2 meeting in Milford on October 25th so if you can get them to me by this date, I will make sure that they are delivered before the October 30 deadline date.

Please email me if you should have any questions, [rwynnemilford@comcast.net](mailto:rwynnemilford@comcast.net)

Many thanks to all! ~ Rhonda Wynne

## HOLIDAY CARDS 4 OUR MILITARY- NH CHALLENGE

This year, I would like to send out cards to our deployed Warriors in each of the five Branches of our Military with the goal of 5,000 cards per Branch. I believe that we can achieve this goal but I need your help to do so; imagine the lessons learned about community, giving-back, respect for our Military, and patriotism for all, from young children to senior citizens. If each of us wrote a card, we will have thousands for our Troops. The NH Department of Education, for example, is reaching out to every school in the State, challenging each student to write a card! Plus having the full support of our

Governor, Senators and Congresswomen surely helps.

I kicked off this year's Challenge in July to get started early. I have planned a "Holidays in September/October" Challenge in order to collect the cards and box them up to be sent in time for the Holidays. **Deadline is October 30, 2018. Free cards/Drop stations: Hollis Pharmacy, Fulchino Vineyard (Hollis), Martha's Exchange (Nashua), Seedlings Café, Hairtharum (Both in Merrimack) and Sal's Pizza (Storrs Street in Concord).**

Guidelines are simple: Address cards to, "**Dear Warrior**". Include a written (drawings are great too!) Holiday message that is serious or fun or both! The Troops love newsy notes. **Sign your first name ONLY and City/State where you live.** Handmade cards are fantastic too! Envelopes are great but not necessary. Size limit is no larger than an 8x11 paper folded in half.

I have formed a nonprofit corporation, "Holiday Cards 4 Our Military-NH Challenge", which will allow for tax- exempt donations All donations will be graciously accepted and truly appreciated. All

- 3) get 100% participation from all clubs in the Multiple District's Operation KidSight Program,
- 4) increase the total number of screenings to over 40,000 children,
- 5) expand the hearing program throughout the Multiple District.
- 6) establish a fundraising committee to assist in developing funds for eyeglasses program.

## He’s Official!

Judge, the Fidelco puppy being raised by Winchester Centennial Lions Theresa and Kerry Ford passed his “Winsor Walk” milestone. As Kerry walked Judge, a Fidelco trainer gave directions, observing how Judge handled situations like traffic noises, new sights and sounds, wheelchairs (he encountered 2), and even some balloons that were tied to a stair railing in front of a building on the route. Judge passed with flying colors, and at the end of the walk, he received his official Fidelco Guide Dog Puppy vest. And he’s only 4 months old!

You can help us jump-start the new Lions year with a donation to the DogSight Project! Donations may be sent to **DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431**. Please make checks payable to **LSHF** with **DSP** on the memo line. The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. # LIONS YOUTH SERVICES

The third **LYS Meeting** showed a bigger attendance, thank you all who were able to make this meeting. Hoping to continue this with more and more of you joining us on the second Thursday of the month 6:30 pm at Hannaford's in Bedford. No time for supper, Hannaford's has a big selection of prepared cold and hot foods. Their stir fry meals are great and less than \$10. We are still working on filling the 44H director

position and we are hopeful that it will be filled soon. With that being said, lots was discussed during the meeting with a brief fire alarm interruption which did not stop President Al as we continued with the meeting outside while waiting for the building to be cleared and given the okay to return.

The meeting resumed with discussion about the **Calendar Raffle** that is in the works. To repeat, this will be a January Calendar (\$5.00 each or 5 for \$20.00) The drawing will take place during the February meeting and the winners announced soon after most likely during the Cabinet Meetings in March. Still seeking club sponsors or individual sponsors for each of the days. As of the meeting approximately 21 days or so were covered. Please contact Harry Armstrong [harya616@yahoo.com](mailto:harya616@yahoo.com) for a

contribution or sponsorship as we are in need of completing the calendar as soon as possible.

Discussion was also made concerning the **Citizenship & Patriotism Essay**— what does the “American Flag Mean to Me?” - this is for sixth, seventh and eighth grade students. Looking at a deadline for the contest to be February 2019. Winners will be announced at the Spring Conventions. One winner from each district! President Al asked each of those attending, to submit a sentence via email to Lion Virginia Edwards on this very subject just for fun. She is spearheading this project. More information to come.

Remember seeing the **Soap Box Derby Car** at the Fisher Cats game, this car is available to use for publicity from any club interested in using it. Great way to attract kids and give Lions some attention. This is a Camp Pride/Lions Youth Services Derby Car but you are welcome to use it. Contact Al Goldstein, Lenny Hall, Lions Youth

Services for details

**PEACE POSTERS** the October 15th deadline to order a peace poster kit online at LCI is getting near but Lions Youth

Services has (7) kits remaining as of September 18, 2018 so if you need a kit, please contact Virginia Edwards at [zinnthewhitexmas@aol.com](mailto:zinnthewhitexmas@aol.com) to purchase one at \$12.00 and to make arrangements to get it as quickly as possible. School's have now opened for the year and those participating should have the kits. If your school is not participating perhaps you could check with a nearby library. # Chester Lions Club

Starting this year the Chester Lions Club has started a new tradition. An award entitled, "The Lion Heart Award" has been anonymously donated to honor Lion Ray Anderson. It will be awarded each year for 12 years to the Lion in our club that has shown the most heart in promoting lionism in our community.

The person selected this year has been a member since 2011. As a member she has been the most active in sponsoring 10 new members who are all still on our rolls. She is a hard worker, not only in our club, but in the community. She is always willing to give her all but most importantly she is always asking others if they are interested in joining our club. So as a result, she has been the most active member to bring in new faces to our group.

It gives me great pleasure to award the first Lion Heart Award to Leslie Packard!

The Moultonborough Lions Club dinner meeting was supposed to have Amy Norton, CEO of the Moultonborough Food Pantry and Thrift Shop as guest speaker on Monday night but she was unable to attend. That didn't phase President Peter Allen who quickly developed a Plan B. Just like that, he recruited Lion(s) Mike & Kate Lancor along with Lion Marion Powers to fill in for Amy and they did a wonderful job. Mike & Kate were instrumental with the development and growth of the organization since the inception many years ago. They were able to provide a lot of background information and decision making that led to the growth that we can see today.

Marion volunteers at the Thrift Shop and was able to give some insight on how Amy's reputation has grown over the years. Folks know that when they enter the shop they will find the place spotless and all merchandise in excellent condition. According to Marion, nothing dirty or shabby ever gets put out for display.

On Wednesday the Lions worked on environmental projects. Seven Lions (Mark, Sarah, Chris, Pete, Joseph, Mary, and John) spent 2 hours on roadside clean up. The area covered runs along both sides of Route 25 from Center Harbor up to the Meredith Town Line. The Lions take pride in helping clean up the roadside. You can see them out there every Spring and Fall.

Later that afternoon, thanks to Lions Sarah and Chris, a policeman and fireman took up watch at the James D. Sutherland Memorial Park in front of the spot the Lions have adopted. Feel free to stop by and say hello if you are in the area.

The Lions have BINGO every Tuesday night starting at 6:30 p.m. If you like to meet new people, have lots of fun, and win money too please stop by. Like us on Facebook or check us out on the web.

## Electronic Waste Collection Day

### Laconia/Gilford Lions Club

October 13

Gilford Cinemas 8 Parking Lot  
(new location!)

8:30 AM – 12:30 PM

Laconia-Gilford Lions Club members (from left to right) Jamie Caldwell, Marylin Brown, Norm Paquette, Eileen Morey, Lois Smith, Matt Soza and Bill Chandler working at last spring's Electronic Waste Collection Day.

Got an old computer collecting dust in your closet, or a broken air conditioner sitting on the back porch? What do you do with such items when you replace them? Everything from laptops, phones and computers to TVs cost a fortune to haul away.

Turn all that junk over to the Laconia-Gilford Lions Club during their Electronic Waste Collection Day fundraising event held now on Saturday, October 13 in the Cinemas 8 parking lot in Gilford from 8:30AM to 12:30PM - Note: this is a new location! For a small disposal fee (most items are \$5), not only will we take your old electronic items off your hands, we will recycle them. The disposal charge is almost always less than the prices at local transfer stations. Cash or checks will be accepted but not debit or credit cards.

Just bring your electronics to Cinemas 8 parking lot, 9 Old Lakeshore Road in Gilford on Saturday, October 13 between 8:30AM and 12:30PM. Lions Club members will even help you unload them! You do not have to be a resident of Laconia or Gilford to take advantage of this fundraiser - it is open to everyone.

Items you may want to consider dropping off are laptops, CPUs, servers, CD/DVD players, camcorders, AV equipment, VCRs, speakers, copiers, faxes, scanners, printers, phones (land and cell), phone systems, UPS systems, humidifiers, cords, cables and computer accessories (all \$5).

In addition, we will also take microwaves, air conditioners, dehumidifiers (all \$10), computer monitors and TVs less than 25" (\$20), TVs 26" and larger (\$30). For a TV needing more than one person to lift, the price will depend on its weight. Anything with a cord not listed will also be accepted.

You CANNOT drop off: smoke detectors, oils, paints, thinners, batteries (except car batteries), tires, items containing mercury such as fluorescent and CFL light bulbs or thermometers, capacitors, ballasts, or any other hazardous waste.

Don't miss this opportunity or you'll be storing these things another year - "Don't throw it out, Recycle it!" You'll not only help the environment by disposing of your unwanted electronics responsibly but also help the Lions, the largest service organization in the world, raise funds to meet pressing needs in our community: eye glasses and hearing aids, food pantries, college scholarships, holiday food baskets for needy families, youth sports programs, are just a few of the local charitable organizations that we assist. All that for a disposal fee that, in most cases, is less than the cost at local transfer stations.

The Laconia-Gilford Lions Club appreciates your help with their Electronic Waste Collection Day fundraising event and wishes to thank in advance everyone who contributes to making a real difference in our community.

Look for the yellow Lions' vests on Saturday, October 13 from 8:30AM to 12:30PM at the Gilford Cinemas 8 parking lot (a new location!). No matter how large or small, every item adds up!

LIONS SIGHT & HEARING FOUNDATION OF NH, INC  
GRANITE STATE FELLOW

In January 2002, PCC Peter DeMoya, implemented a fund raising program for LSHF. This fundraiser he named as the GRANITE STATE FELLOW.

You can recognize an outstanding member of your Lions Club or a person in your Community with a Granite State or Progressive Granite State Fellow. Many clubs recognize an outgoing president with this award. This is the highest form of recognition in the State of New Hampshire.

This recognition comes with a beautiful plaque, a lapel pin and a letter honoring the recipient.

By making a donation of \$500.00 to LSHF you not only give recognition but you are aiding a NH Citizen who is in need of our services. Donations go directly into the LSHF Endowment. Clubs may donate to LSHF in \$100.00 increments for up to five years with a designation on the donation memo for a Granite State Fellow.

Currently there are 383 Granite State Fellows and 16 Progressive Granite State Fellows.

Applications are online at: [nhlions.org](http://nhlions.org)
