Thoughts from
District Governor Jerry Vaccaro

Welcome to a year of "Serving in Harmony"

Wow!!! Already two months into my DG year. What a start though!!

My first District Cabinet meeting, the officers, the "G" Team and Zone chairs were all were installed. I was really proud of the "Team", the information and ideas they shared with all who attended. GMT Al Goldstein introducing the "Membership Contest", GLT Pat Kimball pleading Leadership Goals and asking for future leader candidates to apply and attend the Emerging Lions Leadership Institute (ELLI), GST Lenny Hall pleading clubs to engage in at least 3 of 5 LCI's Global Causes. Oh ya, our LCIF coordinate Scott Wilson introducing the new LCIF "Campaign 100" program. The Zone Chairs are planning their upcoming Zone meetings. Please attend them. Our 1st VDG Steve is anxious to get involved with District needs, helping me when needed. Thank you Steve. Oh, our upcoming graduate of Lions University at the USA / Canada Forum and will be attending the Advanced Lions Leadership Institute (ALLI), 2nd VDG Marie Hall. Congrates Marie! She's ready to lead.

This "Team" is ready to serve so just ask them!

I certainly want to thank our District Cabinet Meeting; guest speaker, Doug Griffin, he brought to the Meeting an awareness of our District Cause "the Opium Academic". We as clubs need to be aware of our local "drug" problems and help our communities in this effort.

Lastly, I want to thank the Multiple District team (committee) that did a great job with "A Night with the Fisher Cats". A great many Lions attended, children were screened (Thank You Bob Laferriere), new members installed, and many learned what Lions do and how We Serve. Thank You.

Until next time, Yours in Lionism,

DG Jerry

Thank you for what
you do!

Thoughts from

Vice District Governor Steve Middlemiss

What a great first Cabinet meeting. Great job DG Jerry. It was informative and timely. All of our District officers have been installed and what a great team we have this year. I look forward to working with all of them.

Lion Doug's presentation was chilling. To see how much impact the opioid crisis has had on our State. I hope everyone took that information back to their clubs to generate an effort to help their own communities. I know that my home club, Hudson has already directed funds to this cause. Please lend a hand in any way your club can.

Please keep an eye out for the upcoming Multiple District Training Extraordinaire! You don't have to be a leader to attend. There will be a wide range of topics covered. If you have questions regarding any aspect of Lionism I believe this workshop will be helpful.

There is still time to sign up for the USA/CANADA Forum in Columbus Ohio. If you haven't been to a Forum before it is a great opportunity to gain information on many different topics as well as to meet Lions from all over the US and Canada. They always have great inspirational speakers. The dates are September 20-22. You can register on-line at lionsforum.org. It is approximately a 10 to 12 hour drive and last check the flights were reasonable as well

Thank you Clubs for all your efforts to help those in your communities. You are what makes it Great to be a Lion!!

Please don't hesitate to contact me with any questions you might have. To get in touch with me my cell phone is 603-566-7616 and email is cstmiddlemiss@gmail.com.

Thoughts from

Second Vice District Governor Marie Hall

It's September and most clubs are resuming their regular meeting schedules. Plans are being made for fundraisers and service projects. I can't wait to hear what your club is up to and I want to remind you that the leadership team would love to come and support your projects. Be sure to get your newest Lions involved by listening to their ideas and allowing them to co-chair a new project. I hear some clubs are getting more members involved by selecting chairs for each of the 5 service platforms. Success comes when you assess your community needs, make smart goals in project-planning and share the work by giving every Lion a part to do.

Remember: plan, do, act, check!

Thoughts from Cabinet Secretary-Treasurer *Mark D'Amico*

Greetings to the Lions of District 44H!

I want to start by thanking the many Lions who made the District 44-H cabinet meeting last month such a success! It was a great meeting and you're the reason why.

I also want to apologize to those who have been waiting to hear from me concerning various administrative items. After the meeting I was beset by a flu that knocked me down for almost two weeks. As of the time of this writing I'm just getting my sea legs back!

While I was recovering I did have a chance to read a bit and to revisit some of the poetry of Ezra Pound. Though he was not a man without controversy he was interesting. He was an adventurer and, like all Lions, he was a doer. He also publicly admired Ernest Hemmingway; another doer, and this got me thinking. Could I name one great person from history whose name has come down through the ages to us because he or she was a couch potato; who was a great spectator, or who changed the world by watching T.V. or Youtube all day?

There are two types of people, those who do and those who don't. Lions are the first type; those who do, and that puts us in some really great company.

Thanks for all that you do!

Here's to a great September.

Thoughts from Multiple Council Chair *Sam Longbook*

Hello fellow Lions from MCC Sam

MD44 Lions Night at the Fisher Cats

This was a successful event for New Hampshire Lions and enjoyed by all in attendance.

There were 280 tickets representing Lions, family and friends in attendance. This was great for Lions fellow-ship. Both PIDs Ed Farrington and Ed Lecius inducted 3 new members 2 from Salem (Jennifer Hammons and Amy Bourgoin sponsors Christine Sylvain & Gail Dacey) and 1 from Hampstead (Matthew Johnson Sponsor Bob Bedrosian) on the field with DG Fred, DG Jerry and MCC Sam present, lions had visibility with vision screening, membership information and Lion Youth Service Soap Box Derby car, Leonard the Lion with the Fisher Cat mascot Fungo along with a few other activities, including pushing the plunger to set off the fireworks. This was enjoyable to all members in attendance and informed others in attendance about Lionism here in New Hampshire.

We all should thank the MD committee working to make this a special event.

Retention; (This is so very important to every clubs)

LCI allowed drops in July 2107 forgiving dues payments and July 2108 enforced the drop policy of paying dues after June 30th. This will help the districts with membership numbers in 2018 – 2019. As an example, last year 44H dropped 50 lions in July 2017 this year they dropped only 4 members in addition dropped 60+ members in June 2018, resulting in a double hit to membership. This correction put districts back on a good track.

Retention is so important for a few good reasons.

First, if we are inducting members not committed to serve, just to be a number, this is not productive to your club or Lionism.

Second, if members are dropping due to noninvolvement, then the club is not doing a good job to keep all members involved to improve member satisfaction.

We need to invite service minded individuals & learn their interest & get them involved.

This is a must to keep your club productive / improving and viable to your community.

Remember our Lions slogan "We Serve".

Global Membership Team Leader *PDG Al Goldstein*

To ensure your Lions club remains healthy and vital, you need to consider the experience and expectations of belonging to your club. If you went to a restaurant and it did not meet your expectations, would you go back? The same goes for a Lions club!

Along with welcoming your new members, it is important to make sure they begin participating in club activities right away. If your club members feel welcome, comfortable and are involved in community service, they will remain part of your club for a long time.

Research shows that people become Lions for many reasons. The most common are: • To serve their community • To be involved with a specific service or cause • To be with friends • To become a leader in the community • To be with other family members who are Lions

How can your club provide the experiences your members are seeking?

Keeping your club efficient, productive and meaningful to your members results in many benefits: • A club that is vital and a respected part of your community. • The ability to provide service locally and globally. • The ability to offer personal and professional growth opportunities to your members. • A club that provides enjoyable fellowship.

Does your club feel unified, or is it just a collection of individual Lions?

Be sure your club has a club mission statement, objectives and defined goals. Communicate these to your members clearly and openly.

GLT Spotlight Notes: TRAIN, RETAIN, MAINTAIN

As I continue my GLT journey with you, I wanted to write something that would inspire those who took the time to read my spotlight. As busy as we all, LIONS are all doing great things and making a difference in millions of ways not only in your communities, but around the world.

I did some research about this thing called "volunteerism" in which we all are. I found some interesting facts to share. 28.55% of NH residents volunteer, which means there are some recruiting opportunities within our state. The biggest spurt of volunteer activity involves collecting and distributing food, so ask your neighbors to donate or help. The average volunteer spent 54 hours volunteering, and most of those volunteer are in either one or two organizations, which means we want to keep them in ours.

Retired People are giving back to fill their schedules, and studies have shown that volunteering reduces the risk of dementia and isolation in retired people.

People are using their Smartphones to donate, communicate and to volunteer. Maybe there is an opportunity to facetime, or skype folks to meetings, if they can't attend.

Increased focus on purposeful volunteer opportunities – Those that volunteer need to add purpose to people's lives through their volunteering. Know and use their skill sets.

So, let's get to know each other, not only as LIONS, but people that have skills, talents, and professions to make volunteers keep coming back to share those skills. The most enthusiastic volunteers tend to keep volunteering because they've found a way to bring together two things: the satisfaction of doing well for other people along with gaining something for themselves.

Thank you all for everything you do and the hours you take away from your family and friends to help others.

Global Service Team Leader *Lenny Hall*

Hello everyone, happy summer! Well like it or not I'm your 2018-2019 Global Service team leader. I bring to this new job (for me) lots of energy but a little short on experience when it comes to writing newsletters. For those of you who don't have a clue who I am, I'm a n Atkinson Lion, board member of Lions Camp Pride, and a board member of Lions Youth services. Make it a point to introduce yourself when you see me around the ranch.

Although most of us are on summer break the need for us to provide service continues every minute of every day. It doesn't care about the vacations, the kids being out of school or the beautiful weather. So knowing this if you know of a job that needs to get done and you're a little short of Lions at the moment don't hesitate to do a little recruitment from the other clubs around you. Try to remember that we are all in this "service" thing together, and what a great way to make new friends. I've asked myself many times why are my best friends on earth almost always Lions? The simple answer is because we share the same commitment to service. So this months message is to not be afraid to jump in and give another club a hand when they need it. More than likely they will make themselves available to you when you need it.

My cell phone is 978-360-0958 My Email is Lah03811@gmail.com

Thank You Lenny Hall

LCIF Coordinator *PCC Scott Wilson*

\$250 per Lion is the goal. We are looking to raise approx. \$99,000 this year from District 44-H. That is approx. \$2,600 from every Lions Club in our district. We can make this happen. Golf Tournament, Book Sale, Pancake Breakfast, Car Wash, Business Sponsor, so many ways to raise this amount and more.

These funds are needed right now. Help your club become a district leader. We can make this happen this year. So many good causes as these funds will help those struggling with Diabetes, Childhood Cancer, Vision, Hunger, Environment, Humanitarian Causes and Disaster Relief. This is a Lions Lions initiative and our direct help is needed.

A direct monthly contribution of at least \$10 from every Lion across our district will have an exponentially positive impact on the lives of so many people. If you can give more, please do so. Lions answer the call, time and time again and the bell is ringing.

Thoughts on CHILDHOOD CANCER from *Mary Tremblay*

In July, it hit the news that New Hampshire had the highest rate of Childhood Cancer in the nation between 2003 and 2014. Hopefully the District will be able to find ways to help families dealing with childhood patients. Following is a release on the CDC findings:

The study, released this week, shows that there were 816 cases of pediatric cancer in New Hampshire recorded between 2003 and 2014. That's a rate of more than 205 per one million, which was the highest rate in the United States.

The CDC analyzed data from the United States Cancer Statistics and identified over 170,000 cases of pediatric cancer between 2003 and 2014. According to the report, leukemias had the highest incident rates, followed by brain tumors and lymphomas. Identifying the incident rates of pediatric cancer by geographic region can enhance provider awareness, treatment capacity, survivor care and surveillance, the CDC says.

Overall, there were about 174 cases per one million children and teens and the rate was higher in males compared to females. When broken down by age group, the rates were higher in children between the ages of 0-4 and teens between the ages of 15-19, as compared to kids between the ages of 5-9 and 10-14.

Thoughts on VISION From *Langdon Plumer* Healthy vision can help keep brain in shape

Be sure to have annual eye examinations to keep your eyes healthy

It is important to have your vision checked annually as things change as we mature!

Taking care of your vision is important to maintain good cognitive function. Poor eyesight and weakening mental function are common in older people and related to one another.

If you are experiencing headaches, sometimes stomach discomfort and just don't feel right it may be connected to your vision so ask your physician and or eye doctor.

Thoughts fon ENVIRONMENT
from *Jeri Maynard*

ENVIRONMENT

For those of you who still get the Reader’s Digest or have access to the September issue, you might what to check out the article “Recycle...Anything!”. It has a side column that lists “10 Surprising Things You Can Recycle”. I picked out a couple that I felt we all have to deal with but you can check out the rest at your leisure:

Compact Fluorescent Bulbs: Because they are considered “hazardous materials”, Home Depot and Lowes have recycling bins at the front of their stores for you to dispose of intact old bulbs. They also recycle a variety of electronics.

Ink Cartridges & Toner: Both Staples and Best Buy have reward programs and will accept your used cartridges (must have a rewards account). They will give you money back for each one brought in. Best Buy also gives a 15% discount on future ink purchases.

Aluminum Foil: this is an easy one- just wash it and crumble it into a ball and put in with your recyclable cans. (I actually use my aluminum balls in my dryer instead of dryer sheets).

Since this is the beginning of a new Lion Year, your club might want to start a project to satisfy

Thoughts on DIABETES
From *Celeste Ricupero*

5 Strategies to Avoid Diabetes Complications

1. **Exercise around mealtimes. 10 minutes after each meal can help lower overall blood sugar.**
2. **Focus on healthy eating. Whole grains, vegetables, fruits, low-fat dairy, and lean meats.**
3. **Work with your healthcare provider on weight loss. 87 percent of people with diabetes are overweight or obese, and for those with this condition, weight does matter.**
4. **Get immunized. People with diabetes are higher risk of becoming ill. Please speak to your doctor about your shots and if they need to be updated.**
5. **Check in with your doctor. Schedule regular visits to check your sugar levels, monitor hypertension and cholesterol concerns, and determine how well medication is managing your diabetes and any other health concerns you may have.**

Stay Healthy,

Thoughts for HUNGER
from *Bob Gustafson*

Last month, I provided the stats on Hunger from around the world. But, it's also a fact that millions of Americans struggle with hunger issues every day. The Lions Zone 2/6 Chairmen, Mike Dolan and Doug Griffin proposed doing a joint Hunger project similar to the one spearheaded by PDG's Sam Longbook and Al Goldstein at the District 44-H Cabinet meeting in Nashua earlier this year. That event turned in to a huge success. Many food pantries in District 44-H received needed food packages which were distributed to needy families.

On Tuesday, October 9th at the Austin House in Brentwood, Zone 2/6 Lions volunteers will gather again to put food packages together. The cost per club will be \$277 for 10,000 meals. So, not only will this event provide needy families with food, it will serve as a team building exercise for the Zones. Lions will serve together and perhaps meet each other for the first time. Networking is also vital to a given District.

I'm sure other District 44-H Zones have thought about doing a project of this kind. If so, you can go to the site <https://outreachprogram.org/about/> for more information.

Moultonborough Lions Club

Lon Mark Cotrupi, Moultonborough Lions Club Centennial Chairman (left) flanks the recently donated **drug "take back" box** with Center Harbor Police Department project lead Bob Donnelly Jr.

Moultonborough Lion Mark Cotrupi presents Tuftonboro Central School Principal Andrea Fournier one of the 10 donated door locking devices for her school.

The recent Centennial of Lions Clubs International is something to celebrate. Started in 1917 by a group of business people who wanted to help the communities in which they lived, Lions International has blossomed into over 1.4 million members worldwide. The 47 dedicated members of the Moultonborough Lions Club stepped out smartly to celebrate the Centennial by focusing their efforts on improving the safety of the public in the four towns they represent; namely, Center Harbor, Sandwich, Tuftonboro and Moultonborough.

Narrowing the focus of "Public Safety" to two key issues, the opioid crisis and the safety of our school children, the Moultonborough Lions collaborated with the local schools and police departments to ensure their efforts would get the most "bang for the buck". Towards that end, the Lions initiated a project to better secure classroom doors in the event of an "active shooter" scenario. Working with the district, school administrators and safety personnel, the Moultonborough Lions recently donated 10 door locking devices to the Tuftonboro Central School (see picture). The Lions have similarly reached out to the Moultonborough schools and Sandwich Elementary to ascertain their need for such safety devices.

Within the scope of the Centennial "Public Safety" initiative, the Lions also recently funded the acquisition and installation of a drug "take back" box located in the Center Harbor Police Department. Center Harbor citizens, as well as those of the surrounding communities, are welcomed to dispose of their outdated or unused prescription medicines in a safe and legal manner. "Advanced Lock and Alarm" was gracious enough to donate their time to this effort to install a second lock on the box. "Just Hit Print" also helped with the lettering. For more information on the drug take back box, see the Center Harbor Police Department web site. This small effort is just one of the critical steps needed to win the local war on opioid dependency.

Are the Moultonborough Lions going to declare victory on solving local "Public Safety" issues with their initiative? Realistically, the answer is ... no. However, they are stepping out smartly to hit the problems head on. Celebrating the organization's efforts are notable, especially when you consider that the child they may save or the dependent addict they bring home may be the just the person who solves these problems in the long run. If you have any questions about the Public Safety Centennial Project, or the Moultonborough Lions in particular, please contact Membership Chairman Mark Cotrupi at 476-5140.

Remember our Motto is "We Serve".

Dear Lions Clubs of District 44H

In accordance with the By-Laws of Lions District 44-H New Hampshire Services to Mankind (aka Lions Camp Pride), four (4) new directors, to serve four (4) year terms, shall be elected.

Each Lions Club, in good standing of District 44-H, will present a written nomination for director to the corporation at least thirty (30) days prior to the annual meeting. Each nominee shall be a Lion in good standing. Their names shall appear on a ballot to be used during the district cabinet meeting and distributed to all Lions in good standing present to cast said vote.

The Camp Pride BOD is looking for individuals willing to commit, become involved, and work towards the success of the camp.

Candidates for election to Director must have their name submitted by their club secretary in a letter of intent to Lion Jeri Maynard, 104 Lowell Road, Hudson, NH 03051 by October 26, 2018. The election will take place during the November Cabinet Meeting at the Moultonborough Lions Clubhouse in Moultonborough, NH.

Respectfully,

JERI

Health Services of New Hampshire (formally Health Services Board) is a committee of the Multiple District 44 of New Hampshire.

This committee is looking for a few Lions that wish to make a difference in the lives of people across the State of New Hampshire.

We are in need of a Vice Chairperson for our committee. This person will help with strategic planning for our committee, as well as support the efforts of the various activities of HSNH, such as vision screening, hearing screening, eyeglasses assistance, dog training and fundraising.

We are in need of a Secretary for our committee. This person will help the committee remember what we said and when we said it.

We are in need of an Eye Care Assistance Coordinator. This person will help evaluate applications for eyeglasses assistance. They will help facilitate the application from submission to funding.

We are in need of a fundraiser chairperson for our committee. This person will come up with ideas to generate funds while enhancing our committees efforts to help those around us to live fuller more engaged lives through health care initiatives.

If you know someone that could do handle these adventures or better yet, if you are one of the people we seek, please contact me right away. We Need You - (603) 770-3700.

THE DOGSIGHT PROJECT

**A Program of the New Hampshire Lions
Multiple District 44 – Health Services of New Hampshire**

Meet Judge!

The Fidelco puppy being raised by Winchester Centennial Lions Theresa and Kerry Ford is named Judge. It's a fine name for a dog who will be guiding and making decisions on the safety of his blind handler. Right now, he's just a ball of fluffy fur and baby teeth! Every Saturday the Fords take Judge back to Fidelco for puppy classes. At this age, every week has specific milestones and things to learn. Like all babies, he's growing fast!

You can help us jump-start the new Lions year with a summer donation to the DogSight Project! Donations may be sent to **DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431**. Please make checks payable to **LSHF** with **DSP** on the memo line. The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. Thank you!

LIONS YOUTH SERVICES

KINDNESS MATTERS

Is this year's theme for the LCI Peace Poster Contest and it also has been an influence on the "Be Nice to Someone Today" message that LYS President Al Goldstein posts on his Facebook page every day. President Al presided over last month's LYS meeting where various topics of discussion were raised such as the Citizenship & Patriotism Essay contest for sixth to eighth graders, the adding of new Leo clubs, a Buddy Walk, Lion Mentors, the Camp Pride Soap Box Derby Car, the Lions Youth Services Mission Statement, and the upcoming Calendar Raffle. Oh, not to forget to mention that there is still one director's position vacancy on the board to be filled as well. Hopefully, someone from the District 44H membership will step forward to fill the position. As one can see, a lot was discussed in the second meeting of the new year.

PEACE POSTERS - there is still time to purchase a kit if your club has not yet done so. The time is here for all those participating to get in touch with their contact as the schools have now opened for the year. Please make sure that you and your contact plan as to the date or deadline for the end of the contest, that you make sure all rules & guidelines are discussed and understood. You, as the Peace Poster Chair should also discuss with your club as to how your club will award the winner(s). If you should have any questions, please contact **Virginia Edwards**, LYS Director at her email address: zinthewhitexmas@aol.com

CALENDAR RAFFLE - CORRECTION AND UPDATE:

The Lions Youth Services Calendar Raffle will be for the month of "January". Tickets will be sold for \$5.00 each or Five for \$20.00. The drawing will be held at the February LYS meeting and the winners will be announced at the March 2019 Cabinet Meetings. Club sponsors and members have contributed as well as donations of gifts but there are still more days needed to be filled to complete the calendar. Please contact **Harry Armstrong**, LYS Secretary at his email address: harrya616@yahoo.com to donate. Looking to have this complete by September 15th so that the tickets can be made available by the end of the month.

LIONS SIGHT & HEARING

Greetings, first of all, if you or your club contributed to the Sight & Hearing Foundation, Thank You, Thank you, Thank you!

Due in part to your generosity we were able to approve **62 applications** totaling **\$56,261.00**. A new record! Every person that applied and had their application approved received the help they needed. We have 83 clubs in Multiple District 44, however only 9 clubs from 44N and 12 clubs from 44H applied for assistance. If you would like to have someone from Sight & Hearing visit your club just contact us. We would be happy to explain the Sight & Sound program to any club or zone in the Multiple District.

One update you should all be aware of. The S&H BOD voted to increase the minimum amount paid by a club to process the Hearing / Cataract Application will increase from \$100.00 to \$150.00 effective September 1, 2018

If you are interested in seeing how the Lions Sight & Hearing Foundation functions, we welcome visitors to the monthly Board of Directors meeting at the Airport Diner at 2280 Brown Ave. in Manchester on the 3RD Thursday of each month at 6:30 PM. **Note**, due to a conflict with the USA/Canada Forum the next S&H BOD meeting in September will be on **Wednesday, Sept. 26.**

LIONS SIGHT & HEARING FOUNDATION OF NH, INC
GRANITE STATE FELLOW

In January 2002, PCC Peter DeMoya, implemented a fund raising program for LSHF. This fundraiser he named as the GRANITE STATE FELLOW.

You can recognize an outstanding member of your Lions Club or a person in your Community with a Granite State or Progressive Granite State Fellow. Many clubs recognize an outgoing president with this award. This is the highest form of recognition in the State of New Hampshire.

This recognition comes with a beautiful plaque, a lapel pin and a letter honoring the recipient.

By making a donation of \$500.00 to LSHF you not only give recognition but you are aiding a NH Citizen who is in need of our services. Donations go directly into the LSHF Endowment. Clubs may donate to LSHF in \$100.00 increments for up to five years with a designation on the donation memo for a Granite State Fellow.

Currently there are 383 Granite State Fellows and 16 Progressive Granite State Fellows.

Applications are online at: nhlions.org

Any name or message up to 3 lines of 14 characters each can be engraved on each brick. Each line will be centered by the manufacturer. Company Logos are also possible: Personalized bricks are a great way to:

- Recognize a club anniversary, event or member
- Remember lost loved ones with bricks :in memory of them
- Recognize your children, grandchildren, parents, and other special people
- Mark a birth, anniversary, graduation or other special event in your life
- Honor an employee or friend, advertise a business
- Give a unique and lasting gift for the Holidays

Here’s how you can contribute: Three lines \$75.00

CAMP PRIDE CALENDAR RAFFLE

NH Lions Camp Pride's Booster Calendar Raffle tickets will be printed soon! Don't miss your chance to be one of **only 31** benefactors that show their support of the camp by sponsoring a January date on the raffle ticket.

Sponsors may be a local business or a tribute to a loved one who will be recognized on the chosen date during the month of January; sponsors select the date(s) of their choice.

Remember, the earlier you choose your date and submit your sponsorship check, the more choices you will have for your date selection. Sponsorship forms are available from any Camp Pride Director, et or by E-mailing a request for one to Lionjeri@comcast.net. This is one of our most successful fundraisers so join in the fun by showing your support!

Deadline for submission: OCTOBER 1, 2018. More information may be obtained from Lion Lillian Bellisle, Raffle Chair, at 603-889-0285

Walmart Eyeglass Program

The following Walmart locations participate in the Eyeglass program and support the clubs in District 44H. Each location has Vouchers for purchase.

Salem,	Derry,	Epping
Portsmouth,	Rochester,	Gilford
Manchester,	Concord,	Amherst

Eyeglass Procedure:

After a club has approved the request for eyeglass assistance, follow the steps below

- 1) Write a letter stating your club and the number of vouchers you wish to purchase
- 2) Write a check to Walmart for \$50.00 for each voucher you wish to purchase
- 3) Take both items above to Walmart and purchase the voucher(s)
- 4) Provide the voucher to the individual requesting assistance
- 5) The requester will take the voucher to the Walmart where purchased

Eye Examine:

- Some requester may approach the club with a prescription in hand

Or

- The club may make arrangements with Walmart to provide eye examines

Thanks to PDG Don Patter 44N for setting up this program and getting the above Walmart on board with the program.
