Lead from the

Thoughts from

District Governor Steve Middlemiss

Once again I would like to thank everyone for their support at this year's spring convention by electing me as District Governor for 2019-20 especially the Hudson Lions and my beautiful wife. Without her this would not be possible.

It's hard to imagine that the day has come that when I return from the International Convention in Milan I will be leading one of the best Districts in the United States. For the 7th year in a row we will be ending with positive membership. That comes from the hard work of our past leadership but especially from the hard working Lions of 44 H. We also continue to train our members and most importantly work together on multitudes of service projects. We are the motto "We Serve".

My theme this year is Lead From the Heart. I believe it takes a strong and caring heart to do what we have been doing for the past 102 years. Yes, "We Serve" but it is because We Care! We care about the young child who may have a vision problem. We not only help detect it but we follow through with glasses if the need is there. We care about the elderly or perhaps a returning Vet who needs extra help entering their home by building a ramp. We care for the hungry in our communities by collecting and providing food. These are the things we do that make us special in this world. We help our fellow man. I am proud and humbled to be able to be your District Governor this upcoming year.

Of course I won't be doing this single handedly. You have also elected two great leaders in our FVDG Marie Hall and SVDG Bob Gustafson. There is also a great bunch of Lions who have agreed to serve on our cabinet and committees. But most of all we won't be doing it alone because of the dedicated Lions that make up District 44 H will be there to help move us forward once again.

I can't wait to visit each and every one of our fantastic clubs.
Thank you all for all your efforts to help those in your communities.

Don't forget to JUST ASK!

Yours in Lionism, DG Steve Middlemiss & Lion LeeAnn

Thoughts from CS Val Wilson & CT PCC Scott Wilson

Welcome to the 2019-2020 Lions Year! This year.....the position of CST—Cabinet Secretary Treasurer, will be shared by two people. Valencia will be the cabinet secretary (CS) for the district this year, and PCC Scott will be the cabinet treasurer (CT). We are Hudson Lions members, PCC Scott since 2003 and Valencia since 2006, and have held all the officers positions for our club, and PCC Scott was a DG and MCC. PCC Scott works full time for Bank of America, as a small business banker, and Valencia works full-time, from her home office, for United HealthCare as a dedicated client service manager.

Valencia

Cabinet Secretary

E: valenciawil@comcast.net
C: 603-770-7705

What does the cabinet secretary do?

- Keep an accurate and complete record of the proceedings of all meetings of the district governor's cabinet.
- Forward copies of minutes promptly after each meeting to all members of the cabinet and to Lions Clubs International.
- Collect the Monthly Membership Report from the clubs in the district each month and make copies for distribution to other district officers if requested by the governor
- Assist in scheduling club visitations
 - Assist in management of the Constant Contact database and distribution of the district newsletter
 - Attend all cabinet and convention meetings

In addition, the cabinet secretary is to be a resource to all the club secretaries. Please know you can count on me to assist you with any questions regarding the role of a secretary. You can best reach me via email or my cell number, in the early evenings or weekends. If you leave message, I will return your call as soon as I can, and will respond to all emails as quickly as I can as well.

What does the cabinet treasurer do?

Collect the stipulated membership dues from the clubs in the district. (Note – the Cabinet Secretary-Treasurer may run an MMR report in MyLCI, which may be saved electronically and forwarded in the same manner.)

- Deposit funds in such bank or banks as are designated by the cabinet
- Disburse those funds only upon the authorization of the cabinet
- Obtain bond for the faithful discharge of the duties in an amount set by the Cabinet
- Submit a semi-annual financial report and such other special reports to the cabinet
- Submit all the books and accounts for audit whenever required by the cabinet
- Place in the hands of the successor all monies and records, financial and otherwise, that pertain to the office of cabinet secretary and treasurer, immediately following the end of the fiscal year
- Attend all cabinet and convention meetings

The Cabinet Treasurer will also be a resource to all club treasurers, so please reach out to Scott with any questions relating to the treasurer role, or any other questions you might have.

Here are some important things as we start the new year!

8-4-19 -First cabinet meeting at the Doubletree Hotel in Nashua. FOR ALL LIONS! Please save this date and look for the registration form in this newsletter. Club information packets will be distributed containing directories and news about the upcoming year. It is especially important that presidents and secretaries attend, but if they can not, that at least one representative from the club attends this cabinet meeting! Thank you to those early birds who have sent in their forms already! Keep them coming! Please respect the deadline noted so we can ensure an accurate head count for the property to provide the right amount of food and so that we know who is attending!

Semi-annual dues bills will be sent out during July for the July to December timeline. Please be on the lookout for these and send your dues back in a timely fashion.

9-14-19—Club Officer Training Forum at Delta Dental in Concord NH- Save this date! Important opportunity to learn the ins and outs of being a President, Treasurer or Secretary for your club! **FOR ALL LIONS!**...in the position currently or wanting to learn about these positions. I will be doing the secretary training. Bring your laptops and all your questions! See flyer in newsletter for more details!

Our most important function is to serve the clubs of District 44H! As you serve your communities, we are here to be of service to the clubs of District 44H in any way we can. We are looking forward to a great year! *Valencia and PCC Scott*

Thoughts from First Vice-District Governor Marie Hall

Email: mariehall326@gmail.com

Welcome to the 2019-2020 Lions Year. I look forward to coming out and working/serving with your clubs. If you have events during the summer, please invite me to lend a hand. Also consider asking your friends and neighbors to help, too! Many new Lions may come from experiencing the spirit of our great organization. Just ask!

Thoughts from Second Vice-District Governor Bob Gustafson

Email: robertgustafon11@gmail.com

Hello fellow Lions! And, welcome to a new Lions year of serving our communities. My goal this year is to support our District leadership move the ball forward and improve our District in any way I can. I thought our District had a great year this past year especially in regard to Membership. So, let's keep the momentum going and "just ask" People to join us to see what we do. I've been asked to chair a committee to partner with the Fisher Cats baseball team to promote Lionism at one of their games on Saturday, August 24th so see the District Newsletter and sign up via the forms provided! The Team's Executive Director of Sales has promised us good seats this year. So treat yourself to a ball game and promote the Lions at the same time!

Thoughts from Multiple Council Chair Fred Plett

Email: mccplett@gmail.com

We are off to Milan Italy, where the reigns of District 44N get turned over to DGE Sue Lindberg, and of District 44H to DGE Steve Middlemiss. Congratulations to both of you! We will work closely together to ensure maximum success for both Districts. The Multiple District 44 Global Action Team stands ready in a support and coordinating role to help each District.

For those who are interested, please put on your calendars the first MD 44 Council meeting for 2019-2020, to be held Wednesday, July 31st, at the Airport Diner.

As this is being written, you all (or most of you) received through Constant Contact a draft of the MD 44 Directory for next year. It is going to press shortly after the District newsletters are published. **Please** look carefully so we can make the Directory as error free as possible. I understand that some intended recipients did not receive it due to spam filters. It will have been sent a second time with a simpler title, less likely to be spam blocked. A lot of effort went into the creation of this directory, and 44H Lion Valencia Wilson and 44N Lion PCC Terri McGrew deserve a tremendous amount of credit for the major effort they expended gathering club officer information. Thank you to the two of you, and the cast of dozens who chipped in with eagle eyes to spot errors. There may be some left upon publication, but we did our best to make it as accurate as possible. We'll see you at both Cabinet meetings and around and about after Milan!

LIONS YOUTH SERVICES

The Soap Box "Super Kids Division" Derby was held with much enthusiasm on Sunday morning in Nashua sponsored by BAE Corp. Several Lions were in attendance with LYS President Al Goldstein and VP/Treasurer Lenny Hall. Many thanks to Peter LaPointe for his many contributions to this event. There are now 4 derby cars. Two of the cars will be at the **Fisher Cats** game on August 24th. Look for more info in this newsletter. However, before the Fisher Cat game, the **Canaan Lions** will be featuring a Soap Box Derby race at 11am as part of their Old Home Days festivities on Saturday, August 3rd. Be sure to check it out.

During the LYS meeting on June 13th, it was announced that there will be a packing of 100 "4 Kids Backpacks" at the next meeting on July 11th. These will be given out to the first 100 youngsters attending the August 24th Fisher Cat game. It should be a fun meeting! We welcome all to join us!

All Lions are welcome to meetings and encouraged to serve on committees. Meetings take place once a month on the 2nd Thursday at 6:30 pm at Hannaford's Community Room, located at 7 Kilton Road in Bedford.

As we begin another Lions Year, we are looking for Lions to come join us and make a difference to the young people of our state to provide them with opportunities for learning, caring, contributing and serving while having **FUN!** We are in need of at least two additional directors from each district. We are also anticipating to re-establish the Quest program and are in the process of getting it underway shortly and would welcome all interested in this program to come to a meeting to learn what it is all about!

Jeri Maynard, Environment Chair

Now that summer has arrived, most of us are thinking about what we can do to create a yard that is both beautiful and pleasing to Mother Nature (as well as the neighbors).

This short list of ideas was found in an old Readers' Digest and it guarantees that you will be on the "Good Guy" list - as well as maybe save you some of the other "green"!

1. **LET THE GRASS GROW:** If your grass is a bit longer than you might like, it will survive the dry spells this summer. Your grass roots will grow deeper and make your lawn thicker- this means fewer pests, less disease and a decreased need for chemicals
2. **GROW LOCAL:** Native plants are accustomed to their area's growing conditions and once established will require less water, have fewer pests and less disease than non-local plants.
3. **WATER THE RIGHT WAY:** Water before 10 AM- less moisture will be lost to evaporation. Next best option is in the late afternoon but be sure plant leaves have a chance to dry off. Damp nighttime temperatures encourage fungal diseases to set in. Soaker hoses are ideal as they save water and reach the roots- "water long and once a week"
4. **COMPOST:** Often called "Gardner's Gold", compost enriches the soil with much needed nutrients and improves water retention and soil texture. Veggie/fruit scraps, tea bags, coffee grounds, dry leaves, untreated grass clippings can all go into your compost pile
5. **BE EFFICIENTLY WILD:** Replace the grass in a corner of your lawn with something that requires less water. Think of a bed of native plants/ wild flowers, anchor a kid's play set, plant a garden of frilly ferns (good for shady areas) or use cacti and stone to build a water efficient landscape
6. **MULCH FALL LEAVES WITH YOUR MOWER:** save your back and let the fallen leaves lie. Cut them into tiny bits with a mulching lawn mower. The leaf fragments add nutrients to the soil as they decompose. Not too early to start thinking of Fall...

Moultonborough Lions Club members are working hard to keep Sutherland Park beautiful for visitors. It is a perfect place for a summer picnic.

Many Year's ago the Moultonborough Lions Club chose Sutherland Park (right next to the Police Station) as their project in the "Adopt-a-Spot" program. Since then the park has taken on a refreshing look. It is a perfect place to sit and meditate or read a book or have a picnic. Whatever your choice, you can be guaranteed to enjoy yourself. Stop by, check it out, see for yourself, you will not be disappointed!

This is just one more way the Lions give back to the community. Remember their motto is "We Serve". If you would like to find out more about Lionism call Joe & Pat Keegan at 253.9916.

Sad News with a Silver Lining

The work of a Fidelco Guide Dog requires the physical fitness of a trained athlete. They are expected to walk many miles a week and be engaged and alert at all times. A significant milestone then in Fidelco's Guide Dog training is the medical evaluations at the one year mark. All puppies in training are constantly evaluated for behavior and temperament, but their bodies must mature before they can be physically evaluated to see if they will have the stamina and good health required of a working dog.

Judge, the Fidelco puppy with Lions Theresa and Kerry Ford of the Winchester Centennial Lions Club, was scheduled to begin his formal training in July at 13 months old. That is, until the results of his exams came back. He has been "released" from the Fidelco Guide Dog program because there are early signs that he could develop joint issues that would truncate his useful working life. It costs \$45,000 to provide the 15,000 hours of training required to make a Fidelco Guide Dog – only the very brightest and fittest dogs merit that investment. Judge, sadly, didn't make the cut because of potential future medical issues. [We think he is one of the very brightest, and certainly the cutest!]

The silver lining? Theresa and Kerry were given the opportunity to keep Judge as their pet. The Fords are looking forward to raising another Fidelco Guide Dog puppy, but will need to wait until Judge is older. In the meantime, they want to remind everyone that Fidelco is always looking for new puppy raisers. While they are disappointed that Judge will not continue with formal guide dog training, they appreciate everything that they learned throughout their puppy raising experiences with Fidelco.

Thank you Theresa and Kerry, and pats to Judge.

The State of Leadership in 2019

The mission statement of the USA/Canada Lions Leadership Forum has been since its existence...to develop leaders, motivate and educate attendees, provide an open exchange of ideas, and support programs and goals of Lions Clubs International. It's the hallmark instilled over the years and why the Forum has been so successful.

Today, the focus on creating a better leader within our organization is the true component for continued growth of our association. We must make the turn in the right direction for the future. We can not become stale and offer statements of negativism. I remind associates and acquaintances "our purpose" is as strong today as it was over 100 years ago.

Being a great leader requires taking proactive steps to improve your own leadership capabilities. But there's more to it than that. Engaged leaders need to stay on top of the current trends influencing their individual communication with club growth and community outreach. And ensure those within the organization continue to focus on club member attitudes and achieve lasting results in the communities we serve. (continued next page)

Creating Better Leaders • visit www.lionsforum.org

(continued previous page)

As Chairperson in reviewing trends that are at the forefront with non-profits and business leaders in general, this year the Forum Planning Committee has created the steps needed to make you a great leader.

1. Learn to lead several generations. Focus on creating an environment where each age group feels valued and motivated to give their best effort. Remember most of the generational stereotypes you read online don't have much, if any, basis in fact.
2. Time to pick up the pace. We live in a world of instant gratification. We can develop services that gratify all members of our club. For leaders, ensuring that "picking up the pace" doesn't lead to a decline in the quality of the club will be crucial.
3. Emphasize accountability. As a service organization leader, you need to lead the charge by consistently holding yourself and those on your team accountable to a set of standards and values.
4. Embrace continuing education of leadership skill sets.
5. Mentoring and coaching. It is astounding to see coaching and mentoring rated as most effective modes of leadership development, yet still see them so widely under-used.
6. The art of communication... skills and knowledge. Truly effective reinforcement isn't reminding or retraining—it's providing the right information at the right time to encourage participants to apply, deepen, or reinforce or convey our purpose.

We have expanded our seminars to include those educators and motivational persons outside of our organization to help continue our Forum quest of creating better leaders. And in the long run, this helps expand the outside knowledge of what we do as Lions.

I promise you a great Forum. And you will enjoy Spokane, WA. It's a great city. Please register today at www.lionsforum.org and like us on Facebook. See you in Spokane.

Featured prominently across the front page followed by the next with a great picture, an extensive article was presented concerning the Epsom-Chichester Lions Club aluminum can recycling project.

Lions Clubs International
FOUNDATION

OUR FOUNDATION

Is your Club doing It's part, are YOU?

Lions Clubs International Foundation (LCIF) is the charitable foundation of Lions Clubs International

Every day, Lions Clubs International Foundation (LCIF) works to fulfill our mission: "To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants."

Let's start the year of RIGHT! As you plan your Club activities and budget for the year please include LCIF.

Consider an LCIF fundraising project, ask every member to consider making a personal donation and include LCIF in your Club's budget. Set your goal for the next 2 years for Campaign 100 and work to achieve that goal.

Here's an example of how LCIF is helping around the world:

The Venezia Host and Venezia Angelo Partecipazio Lions clubs in Italy teamed up with the Koudougou Baobab Lions Club in Burkina Faso and Lions Clubs International (LCIF) to address food insecurity in several villages in the West African nation.

LCIF awarded US\$54,267 to Italian Lions in support of the project, which was very successful.

A drip irrigation system was put into a community garden, where women are trained to use the system and cultivate crops they use to feed their families. The Lions hope that these women will grow enough excess food that they may start their own village market and sell their produce for a profit, leading to economic stability and independence.

I hope you can help too! Thank you.

Bill Rathbun, Past Council Chairman
LCIF District Coordinator
