**Newsletter of Lions District 44-H New Hampshire**

*Thoughts from  
DG Marie Hall*

**July 2020 Volume 46 Issue 1**

Thank you Lions of District 44H for giving me the honor of serving as your district governor. By the time you are reading this, I will have completed all my DGE classes on-line or virtually and will have had my swearing-in while standing up alone in my dining room. Not the way I had pictured this, but nothing is as it used to be right now.

I do look forward to the 2020-2021 Lions year with a new Global Action Team: Marie Valliere-leadership, PCC Kitty Callender-membership and Gail Dacey-service. As the Global Action Team Leaders, I have asked them to think about how we can all work together to build new leaders, grow our membership in new ways and serve more people.

FVDG Bob Gustafson and SVDG Randy Tompkins will be an integral part of this, too. Cabinet Secretary Pat Kimball and Cabinet Treasurer Kris Pavlik will help to keep us all on track and ensure we are using your district dues wisely.

Lastly, congratulations to MCC Steve Middlemiss for completing a successful year as District Governor, despite all the obstacles that COVID-19 has thrown our way. He will no doubt lead our multiple district on to bigger and better things.

Serving from the Heart,  
District Governor Marie

Hello Lions of District 44-H. I hope all is well as we contend with numerous obstacles in this new Lion-istic year. We will confront them and overcome them. Why? Because Lions find a way to serve. That's what we do.

My home club, the Atkinson Lions, are finding ways to serve. For example, we worked with a Dollar Tree Store to solicit necessary items for our local food pantry. This idea worked for Dollar Tree as folks bought more items, it worked for folks who contributed because it made them feel good and it worked for the Food Pantry as they received many needed items. It also worked for the Atkinson Lions because we received some publicity in the local paper and we didn't have to write a check! Made sense to us.

These are ideas for serving that I'm sure are percolating throughout the District. Each club will find their unique way to continue to serve our Communities. Good luck and have a great year!

It is with great sadness that the Forum Executive Committee has decided to cancel the 2020 USA/Canada Lions Leadership Forum in Louisville, Kentucky.

As we said earlier in the year, the safety of our attendees is our number one concern. We had hoped for a significant flattening of the curve on cases of COVID-19 throughout our geographical area but that has not been the trend. Travel between the United States and Canada has also been a concern.

Although the planned Forum is still three months away and conditions could improve over the summer, there is enough uncertainty that we feel it best to make the decision to cancel now. The Forum will offer a choice of a full refund or a rollover of your registration fees to the 2021 Forum.

You must make that choice in writing by e-mailing our Registrar at [registrar@lionsforum.org](mailto:registrar@lionsforum.org) or by mailing your choice request to PO Box 723, Rapid City, SD 57709-0723. Please do not call the Forum office to request a refund or transfer of funds to 2021.

Our goal for the USA/Canada Lions Leadership Forum has always been to provide a rich learning experience and a social environment where we see our old friends and make new ones. This 44th Annual Forum promised to be one of the best as the City of Louisville has so much to share with us.

We extend our sincere appreciation to the City of Louisville and to the Kentucky Lions for inviting us. We hope to back soon.

Lion Harvey Whitley, PID  
2020 Forum General Chairperson

With the new Lions year just under way we as Lions find ourselves in a unique position of how to go forward with the business of SERVING others while still in the Covid. We should expect that this Virus and the complications that it brings with it will be around for longer that we want. Clubs and the District have reached out to their members via ZOOM and other internet options to keep in touch and support each other.

We can and will find ways to get back on track with our service projects, although some will be modified, we need to be out there doing what we can We all looked to Lionism to make a difference in our communities and the challenge is to Be the Difference. Be the one who comes up with a new idea and carries it forward. Do not wait for someone else to do it. We as Lions need to be the beacon of light on Service to the community and the Globe.

### MAKE A DIFFERENCE / BE THE DIFFERENCE

As you are reading this, we will be welcoming in our new District Governor's, DG Marie Hall of 44 H and DG Alan Ricard of 44 N. Congratulations to both of you. I, as Council Chair and the whole Multiple District 44 Global Action Team are here to help and support them. Let's all plan to be there at their sides to make this the best Lionistic year ever.

As we transition forward, I would like to thank our District 44 H team for all of their hard work to help us have a great year, especially in bringing forward our newest club, the Rochester Lions club. Your efforts are what made this possible.

**Our first Multiple District meeting is scheduled for 6:30 Wednesday July 29 location TBD. Currently Airport Diner can only seat 20 so looking for a new location.**

We have been hard at work compiling the information for our upcoming Multiple District directory. No one more so than PCC Fred Plett, CS Val Wilson and PCC Terri McGrew. I wish to thank them all for their dedication in making this another great directory. The first draft will be sent out shortly for your review. Please read it carefully as we want to make this version as accurate as possible. I look forward to working with our new Governors and helping them have a great year.

See you at the first Cabinet meetings! Don't forget to JUST ASK ONE!

# Congratulations

## New Rochester Lions Club!

It is with great pride and heart felt thanks to many people that we are able to announce a NEW LIONS CLUB FOR 44 H. THE ROCHESTER LIONS CLUB. I have to admit that though I knew this club would be a reality I was concerned it wouldn't happen in this Lionistic year. But PCC Mike Baillargeon and his never say die attitude help make it happen. Mike and I hit the streets on Thursday, June 18 and collected those needed applications. A combined effort of Lion Karen Baillargeon and myself filing the paperwork and we now have 39 Lions clubs in District 44 H!!! Thank you, thank you to everyone involved.

*Cabinet Secretary  
Pat Kimball*

In the midst of finding the new norm, I am excited to take on this role as Cabinet Secretary. I want to thank MCS Valencia Wilson for assisting in this smooth transition. Serving from the heart is our new District Governor Marie Hall's theme. We definitely have seen that during the Covid-19 pandemic. Nothing has stopped LIONS from serving their community's needs, while remaining safe and vigilant. Clubs definitely used creativity, imagination and thought out of the box to get those needs met.

***Save the date for the 1st District 44-H Cabinet meeting on September 13TH***

The location is to yet to be determined. As information is available, details will be provided.

I look forward to a great year, and meeting many of you as I plan on accompanying DG Marie Hall as she visits clubs and zone meetings. I will be reaching out to clubs in the near future setting up schedules for these visits. If there are any special functions that are happening, please contact me at [PKimballlion@aol.com](mailto:PKimballlion@aol.com) or call me at 603-819-8433, so that I can include that in scheduling. Serving from the Heart

*Cabinet Treasurer  
Kristyne Pavlik*

Wow! What an interesting few months we've had this year! Most of us have had to learn about PPE's, Social Distancing and what a ZOOM meeting is! Covid Restrictions prevented us from holding many of our annual fundraisers and service projects.

Through it, Lions all over the world had to be creative in coming up with new ways to serve our communities. It has been so heartwarming to see Lions making and distributing masks, collecting food and funds for our food pantries and organizations such as End 68 Hours of Hunger, and helping neighbors with shopping. As for myself, I was able to participate in a food donation collection in Rochester to highlight the new Rochester Club, which will be charting any day. I don't believe the people at the food pantry fully understood what the Lions could do as we showed up with 2 SUV's filled with food.

As a bonus, we were able to recruit a few members for the new club as well! I also, am and live with two compromised adults – in fact at the start of the shutdown my father was the first patient in the local hospital's new Covid facility (thankfully he tested negative, but did have pneumonia). I pulled out the boxes of Christmas Cards I had purchased at the after Christmas sales, and started to fill them out. I see many clubs are starting to have outdoor meetings with social distancing. Why not bring your cards! What a way to take your mind off of the craziness going on – put on a Christmas movie (thank you Hallmark Channel) or some Christmas music and write a note to a soldier!

Keep up the great work, Lions! I look forward to getting out and meeting as many of you as I can in the next year and hearing about all of the good work you are doing. As Lions, We Serve from the Heart!

## Nashua Everest Centennial Lions Club

This is our official announcement that our project “One Month Food for Youth affected by COVID19.” has ended. Together, we are rising to the challenge of fighting the effects of the coronavirus (COVID-19). During this time of social distancing and stay-at-home orders, LCI Everest Centennial, District 44H has delivered the 1st package of groceries as well as 2nd package of groceries for students. During this project, we have delivered 1st package of groceries for 20 international students of different countries and 2 national students of the different states of the USA who came for their study at NH who are in a tough situation and having hard time meeting needs. As well as, we have delivered 2nd package of groceries for 12 international and 2 national students who had already taken their 1st package one month ago.

It was really challenging to participate in the needs of our community. Specially, thanks to Lion Umesh Koirala, Lion Ajay Rana Bhat and Lion Alina Karki who took a challenge to deliver a one-month grocery at their home. We extend our hearty thanks to Rachel Lachance, Immigration and Academic Advisor, the University of New Hampshire for her coordination and Community Action Partnership of Strafford County for providing us with unlimited support in every aspect of the project.

Finally, thanks again to all of you for making this project successful and we hope that you will give more support to continue our project “One Month Food for Youth affected by COVID19.” We promise you that we will come with our new project soon. We will continue to serve again, stay safe. Lions Club International, Everest Centennial Family.

**2020:** This year was going to be the year some vision problems were going to be eradicated and more people around the world would see better. Things started out that way but then Covid-19 happened. Everywhere we had to step back and look at our world differently. On a club level it was how to meet, do service projects and fund-raise. Many of us learned how to have a meeting via computer. Our club tried a few different programs to find one that worked but we still had a couple members that didn't have the capabilities. We resolved that by meeting at someone's house outside in lawn chairs practicing social distancing. It was great seeing everyone again and communication was clearer. Our annual duck race had to be modified to one done by computer. We were also limited as to where we could be out on the street selling tickets and the brunt would be by mail. We decided to combine a food drive with selling tickets for two weekends prior to the race to also help the community and hoping to fill the back of an SUV each time. All 28 of the prizes are donated by local businesses and we encouraged the public to patronize them at this time as this truly is a time for communities to work together.

Going forward I feel this spirit of working with other groups as being part of a better and stronger community. I am encouraged by how so many organizations and individuals adapted to these almost daily changes and filled voids that didn't exist before. I have faith in all who "Serve".

### Happy 30<sup>th</sup>, ADA!

This year marks the 30<sup>th</sup> anniversary of the signing of the Americans With Disabilities Act (ADA). The law was signed by President George H. W. Bush on July 26, 1990. It was 4 years in the making. It is the ADA with all the changes made to it over the past 30 years that enables me, and people with a wide range of disabilities, to lead near normal, productive lives. That's something to celebrate!

Be well, be kind, be hopeful.

You can always contribute to the DogSight 2019-2020 campaign by sending a donation to the project chair. Checks should be made out to **LSHF** with **DSP** on the memo line. Please send checks to: The DogSight Project, c/o Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431

GSL Gail Dacey E: [grd514@aol.com](mailto:grd514@aol.com)

As the GSLI will be writing and giving you some ideas for service. I know we are in trying times right now but many communities are really food insecure right now. Some ideas to help along these lines are to hold a food drive. The post office usually does one Mother's Day weekend and didn't this year. Recently my club held a drive at our Dollar Tree. I know Plaistow and Atkinson also did one recently. We checked with the manager. She was thrilled. We put it out on Facebook only, put a table out about us on Saturday from 8-2 and collected 886 lbs. of food and \$142. We handed out little slips of paper with food and toiletry items and people were very generous. They were happy to help. Everyone wore masks and safe distanced but our name got out there.

Be thinking about doing the community needs assessment in your town. Contact the police, fireman, school district, senior center, day cares and Boy's and Girls Clubs to see what they might need. I'm assuming we will be wearing masks for a long time. Think about how you can get them out in the community.

Seek out new members and listen to their fresh ideas. Remember we have 5 initiatives that we work on. Hunger, vision, environment, diabetes, and childhood cancer. You can still clean up an area for the environment or plant some flowers. World wide diabetes day is in November so you can begin to think about working on that.

Remember you have to work on 3 out of the 5 initiatives to get the club excellence award.

Please feel free to contact me and let me know what your club is doing. Everyone is looking for new ideas. Think outside of the box.

GML PCC Kitty Callender E: [callendergirl54@hotmail.com](mailto:callendergirl54@hotmail.com)

The year 2020 has turned the world around! Not in a good way either. In January, we started hearing about a virus coming out of China and spreading very quickly worldwide. By March, we were "housebound". The Danville Lions, under the leadership of our President Krissy McKeeman and our 1<sup>st</sup> VP Sonia Landry had us up and running meetings on Zoom (thanks to Dean Zanello)! Our main concern was our "Power Pack Program." How could we continue? Who would we be serving? Well, our back packs morphed into Food Totes and at the height of being quarantined, we were serving 8 families with 16 children. A dedicated group of us deliver totes every week! This program will be run through the Summer! With help/promotion from the Carriage Towne News (and Elisha) we held two "Socially Distanced" food drives. Both huge successes! We are still receiving (and are grateful for) donations to help us fill those totes!

On June 24, 2020 the Danville Lions will hold our 1<sup>st</sup> "live" meeting since March. We will be "socially distanced" in a parking lot, but so very thankful to see one another in a larger group!

I believe our district is already making progress and getting past, not over, Covid 19. Lions are slowly, cautiously getting back to meetings, installations, and end of year get together. Not everyone will join in right now, understandably. We must have a new understanding about hugs, handshakes, and closeness! very quickly

I, for one, have missed being with my Lion "family!"

Landon Plummer, LSHF President: [langplumer@gmail.com](mailto:langplumer@gmail.com)

Our last meeting for the 2019 – 2020 year was at Go to Meeting for Sight and Hearing Foundation which are getting a tad stale – I miss meeting with Lions around a table and doing lions work! I hung one of the S&H Banners behind me at 6:30 we gathered for our fourth virtual meeting. Those giving reports had sent them via email prior to the meeting so all of us were working off the same pages that the presenters were using which, of course, worked great.

The meeting was well attended. Following the agenda, we moved ahead – Secretaries report was presented by SVDG Virginia Edwards. Treasurer MCC Fred Plett reviewed his report and answered questions by board members. Lion Alan Hoyer had two projects to present which were approved. MCC Fred Plett gave a progress report on the 501c3 committee. All applauded this year's officers for a job well done!

I never anticipated the challenges that arose during the course of the year from Murphy's Law striking several times on one case early in the year, to establishing a policy to allow for electronic voting, and, of course, ending with COVID 19 and becoming proficient in Gotomeeting to conduct our business!

I want to express my appreciation to all the board members for serving on this board. I especially want to recognize Vice President Lion Richard Lemieux, Secretary SVDG Virginia Edwards, Treasurer MCC Fred Plett, Past President Jim Robinson and Project Chairman Lion Alan Hoyer for their untiring work.

The best to President Elect Lion Richard Lemieux and the board in the coming 2020 – 2021 Lion Year

As you plan your Club activities and budget for the year please include LCIF.

Consider an LCIF fundraising project, ask every member to consider making a personal donation and include LCIF in your Club's budget. Set your goal for the next 2 years for Campaign 100 and work to achieve that goal.

I hope you can help too!, Thank you.
